What has been done/recommendations provided to the family

- Following BØRNEfonden counselling, Salif has agreed to work harder to improve school results.
- BØRNEfonden has equipped a number of classrooms with solar powered light for the pupils to have a place to do homework after dark. Salif is encouraged to use these facilities where help from peers and instructors sometimes is available.
- To help improve the learning environment in the schools, BØRNEfonden has held courses for the teachers in the area on child friendly schools and didactic methods.
- Salif has received educational assistance from BØRNEfonden.
